July Meeting

What a great meeting regarding government resources! If you missed it, we welcomed Julie Vuckovich, the Regional Director for Senator Evan Bayh, to our July luncheon. Her responsibilities include travel throughout St. Joseph, Elkhart, Lagrange, Marshall, Fulton, Cass, Miami, Wabash, Howard and Tipton counties meeting with Hoosiers who need assistance with matters involving the federal government. Julie shared with us her knowledge of Congressional resources and provided insight on resources from the federal, state, and local government.

Since Julie did not have enough copies of her handout for everyone at the meeting, we are including Julie's contact information for those of you that would like to contact her for the handout. The handout includes valuable contact information for various government agencies that help small businesses. It also includes the contact information for various Indiana federally elected officials.

Here is Julie's information:
