Message from the WBOM President

Welcome to summer and a new year of WBOM! As the new President of WBOM, I would like to thank you for attending our wonderful June lunch with Muffet McGraw at our new location at Bonefish Grill. We had such positive feedback and will continue to "tweak" the setting to work with our needs. The staff has been so very accommodating and we are excited at the changes and hope you are too.

As we continue to provide excellent programs to help you achieve success in your business, we also want to ensure that you take advantage of all of the things WBOM connects you to. Continue to visit our website where we will have updates and links to past newsletters, speaker information for you to refer back to, upcoming events, links to members you would like to be in further contact with, charities we support, and the Chamber of Commerce of St. Joseph County events you can participate in. We also will be enabling a link to our Facebook page where you can view pictures, videos, and so many exciting upcoming features. Stay tuned as we develop this area to make the website more interactive and easier to use.

Continue to promote WBOM within your circle of contacts and please invite anyone who may find benefit as a woman in business within this community. Our membership works because of you. At only \$60 per year, it is an excellent value with educational programs to enhance your business, connections with over 100 members, Chamber

benefits, and opportunities to assist local community charitable organizations benefitting women. All of these can take you to the next level in your business.

Should you have any comments, questions, concerns, or would like to become further involved, please do not hesitate to contact any member of our Board and we can find a place for you to be involved. You'll find the Officer contact list on the WBOM website.

We look forward to seeing you at our next meeting!

Respectfully,
Hope L. Nutting
President WBOM

June Meeting

A big thanks goes out to Bonefish Grill in Mishawaka and Coach Muffet McGraw for making our June meeting in our new location an overwhelming success! The food had rave reviews and Coach McGraw's reflections on what she's learned throughout her years as a coach, mom, wife and woman in the community were inspirational, insightful and entertaining! We'll be tweaking the room set up for next month.

July Meeting

Our next luncheon meeting will be at The Bonefish Grill in Mishawaka on Tuesday, July 13th at 11:30 a.m. We'll have a panel discussion with local certified WBEs (Women's Business Enterprise) highlighting how to certify your business as a WBE and the benefits of certification. Please remember to RSVP and pay in advance using PayPal by Thursday, July 8th. If you'd like to register early, you may click [HERE](#) to RSVP.

We Want Your Input!
