September Greetings!

October Lunch Meeting: A Focus on Women's Health

Please join us on October 11th at Bonefish Grill for a "Focus on Women's Health". Kate Voelker, Executive Director of RiverBend Cancer Services and Laura Ginter, Wellness Program Director, will focus on awareness and prevention information on a variety of cancers affecting women. With the awareness that all of us encounter cancer at some point in our lives, either directly, or through friends or family, they will describe services that support local patients. They will provide an overview of resources available in our community to enable us to be supportive of our families and friends.

To attend, you must RSVP and pay in advance using PayPal or a credit card by Thursday, October 6th. Click [HERE](#) to RSVP.

We are sorry, but because we are required to give a count to Bonefish the Friday before our lunch meeting, we are unable to accommodate walk-ins and late RSVPs. Because we pay for every meal ordered, we are unable to provide refunds, or carry forward your meal reservation if you are absent.
